## A Year In Review

Dear Friends,

As I reflect on the Lord's goodness to MCCH, I am overwhelmed at all He did to care for the vulnerable and make His name known throughout the world in 2025. Some highlights for Mescal's include reaching **138** sponsored or partially sponsored young people through our sponsorship programs, and the Lord's provision of over **\$300,000** to fully fund our high school building project. Additionally, through the Lord's people, over **\$145,000** was raised for our operating costs through our annual Stories of Hope fundraising events. What can't be expressed in numbers is God's faithfulness in drawing people to salvation, fostering growth through discipleship, and continuing the work of transformation He began long ago in the Luanda community!

2026 holds many exciting things for the ministry, and as we move forward, we walk with the knowledge that our faithful Father has provided all we need and will continue to do so for His glory! Thank you for being part of the story God is writing at MCCH. We pray that in the upcoming year, you will experience God's presence like never before.

In Christ,  
Emily Naler  
U.S. Executive Director

# November 2025 Partner Trip Highlights

Mutual encouragement and fellowship blessed the Mescal's family in Kenya and the United States during our November 2025 partner trip! A team of three members from Cornerstone First Global Methodist Church in Alexander City, AL, and three members from Auburn Community Church in Auburn, AL, traveled to Kenya in early November to spend time with Mescal's Kids and staff during the Kenyan end-of-year holiday.

During the trip, Mescal's Kids (children's home residents), MCCH staff, and the U.S. team spent time together in worship and prayer and had a great time playing games, making crafts, and learning from one another! The U.S. team also partnered with staff at Mescal's Christian Academy to host MCA students for two days of activities focused on cultural exchange and learning.

From visiting families in MCCH's guardianship program, to worshipping in a local church, and spending mornings and evenings with MCCH staff and children in devotion, the trip was a blessing and encouragement to the entire Mescal's family!

---

## Prayer Requests

- Please join us in praying for Mescal's Kids, Mescal's Christian Academy students, and our college and university students as they prepare to return to school in early January. Pray that they would be a light for Christ to all they encounter, and they would find their identity in Christ alone.
- Pray for MCCH staff and MCA teachers as they prepare for the beginning of the school year. Pray that the Lord would give them renewed vision, strength, and purpose in the upcoming year.
