Books and Music: Building Creative Spaces at MCA

When Mescal's Christian Academy was being built, it was evident in the minds of MCCH Kenyan leadership that a library would be an integral part of the school and student learning. The school continues to be blessed by the many partners in the USA who began to stock the library with books when our team traveled to MCA in the spring of 2021.

MCA students have spent almost two years enjoying the books in the school library and our MCCH team in Kenya has requested that we bring more books to continue filling the library shelves! For anyone who would like to partner with us on this project, we've created an Amazon wishlist with books that have been recommended to us. Along with books, we've also added some instruments for MCA's music lab, and educational games to share with each class, Pre-kindergarten through fifth grade!

Enhancing Trust

Congratulations, Graduates!

We're so proud of the six young women and men who recently graduated from high school! Esther, Janet, Douglas, Miriam, Tabitha, and Raphael have all worked so hard to achieve this accomplishment and their futures are BRIGHT

Four of these students live at the children's home and two are members of MCCH's guardianship program. These students have caregivers, families, friends, and sponsors who have given of themselves to help these students achieve academic success. We're thankful to the Lord for providing a village of supporters, both in Kenya and the USA, to cheer these young people on towards the amazing future God has planned for them.

Some of these students will pursue university-level education, while others will pursue trade school or other training in their fields of interest. The MCCH family will continue to support them as they move on to the next step!

Prayer Requests

Please pray with us for peace in Kenya. Political unrest is occurring in different parts of the country which often leads to violent protests and harmful economic impact for already struggling citizens. Pray that the Lord would intervene and the hearts of those who are involved in the unrest would be turned to the Lord.

Please pray with us for the upcoming mission trip to Kenya. Pray that the Lord would grant safe and smooth travel, that He would be honored in all of the events taking place during the trip, and that He would provide mutual encouragement through the fellowship of the MCCH Kenyan and USA teams.

Please pray with us that the Lord would continue to provide for all of the needs of the ministry. His faithfulness never waivers and we trust Him to bring about His perfect will in the ministry of MCCH!

Is there a church, missions group, social organization, or individual you would like to learn more about Mescal's Children's Center of Hope? We would love to share the story of what God is doing in the ministry! Please contact Emily Griffin, MCCH Program Director, at emily@mescalskids.org or 334-595-8047 to request an MCCH speaker to share the story with your group.
