

April Partner Trip Praise!

We continue to praise the Lord for the great things He did during our April partner trip! This special trip included opportunities to distribute Bibles to Mescal's Christian Academy students, parents, and a local church; to host a pastors' conference for local leaders; and to spend time in discipleship and worship with the young people at the children's home. The team was so thankful that the school schedule allowed high school and several college students to be home on holiday during the team's visit, which gave the opportunity to reconnect with students we hadn't seen in a while!

What stood out to many of the team members was the spiritual growth and maturity of the high school and college students. We're so grateful for the example they set for the younger kids at the children's home and for the ways God is using them to be a light for Christ in their circles of influence. Another highlight included having the opportunity to present the gospel to MCA parents, with many responding by placing their faith in Christ! During the trip, the team was present for the foundation pouring at Mescal's Christian Academy Senior High School, and were so impressed by the construction crew and the diligence with which they worked.

We're always so thankful to partner with the MCCH Kenya team in their daily work of making disciples in the Luanda community. What a blessing to take part in the mutual encouragement that comes from being part of the family of God!

Spiritual Encouragement & Prayer Requests

And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ. -Philippians 1:6

- Praise the Lord for the many MCA parents who received Christ when presented with the gospel! Please pray that all who professed Christ would be connected to a healthy, biblically sound local church for discipleship.
- Please pray for MCCH high school students who are beginning a discipleship course. Pray that the Holy Spirit would work in their hearts to teach them foundational truths about their faith and stir in them a desire to make disciples for Christ.
- Please pray for continued favor and blessing over the MCA high school building project.
