

## Tech Blessings!

In April 2021, MCCH partners who work in the tech industry were led to make an ongoing contribution to MCCH designated towards making sure Mescal's Kids and Mescal's Christian Academy (MCA) students have access to technology to help them succeed in their education!

In their letter to MCCH, they shared, "[We] feel that our business is being blessed so that we can be a blessing to others." Thank you to our generous partners! Lives and futures are being impacted through your investment in these current and future leaders! Pictured below is one of the university students supported by MCCH receiving a laptop computer.

## July Partner Trip: Kenya, Here We Come!

When an American MCCH partner team said goodbye to MCCH Kenyan staff and Mescal's Kids when departing Kenya in November 2019, no one imagined it would be over 20 months before anyone from the United States would be able to visit MCCH again. Praise the Lord, on July 14, 2021, a small team of three people will make the trip from Montgomery, AL, and Thomasville, GA, to Luanda, Kenya, to spend time with our MCCH Kenyan ministry partners and Mescal's Kids!

Charlotte Robertson, MCCH President, Jeff Bush, MCCH Vice President, and Emily Griffin, MCCH Program Director, will make up the team traveling to Kenya July 14-28. One of the main focuses of the trip will be assisting MCCH Kenyan ministry partners as they finalize details and prepare for the opening of Mescal's Christian Academy (MCA), which may open while Charlotte, Jeff, and Emily are on the ground in Kenya. Our Kenyan ministry partners have done an outstanding job overseeing the construction of the school and collaborating with existing schools to locate and register the most vulnerable children in the community, all while doing their part to create a team of kingdom-focused educators for MCA. We are beyond grateful for their prayerful and wise leadership in this project which was born in the heart of MCCH Founder and Executive Director, Ruth Owuor, as a way to make a long-term

## The Bible Project

In speaking with MCCH Founder and Executive Director, Ruth Owuor, it was determined that the best thing stateside partners could help provide for the summer 2021 partner trip to Kenya would be Bibles!

The heart language for many people in Luanda is Luhya, which led Ruth to determine that providing Bibles in the Luhya language would be the most effective way to give community members access to God's Word. We launched a social media campaign to our stateside partners on Tuesday, June 1st, for what we named "The Bible Project", with a goal of raising \$650.00 to purchase 50 Bibles in the Luhya language. By mid-day on Friday, June 4th, the Lord provided over \$1,150.00 for the purchase of more Bibles than we planned for, including enough funds to purchase new Bibles for Mescal's Kids at the children's home. All glory to God and thank you to everyone who supported The Bible Project! Your gifts are going to bless many people with the most important gift that could ever be given- the living and active Word of God.
