

# March 2025 Partner Trip Highlights

The Mescal's family in Kenya and the United States were blessed by the opportunity for mutual encouragement and fellowship during our March 2025 partner trip! During the trip, the Kenya and U.S. teams were able to fellowship, spend time together in worship and prayer, and have lots of fun playing games, making crafts, and learning from one another! The U.S. team had the opportunity to worship with brothers and sisters in Christ at Ebusakami Church, with Bro. Richie Farrow, Associational Missionary for the Carey Baptist Association, teaching and praying over members of the congregation. Later in the trip, two team members partnered with MCCH staff to share Christ in the local marketplace, which led to people hearing and responding to the gospel! We praise the Lord for salvations and ask that you join us in prayer for follow up efforts and connection to Christ-centered, biblically-sound churches for each person who received Christ.

A special time for everyone took place when presenting the children and staff at MCCH with new Bibles. A previous team member noticed the worn condition of the Bibles being shared by the children and staff during devotional time each day, and donated new Bibles so that each person could have their own

copy. The group was excited to say the least, and we're so grateful for increased access to God's Word made possible by the generosity of an MCCH partner. The team was also blessed to spend a portion of each day with students and staff from Mescal's Christian Academy! We're especially thankful for the connection made between MCA teachers and a team member who is a former educator that led to access to resources and encouragement.

From visiting families in MCCH's guardianship program, to worshiping in a local church, and spending mornings and evenings with MCCH staff and children in devotion, the trip was a blessing and encouragement to the entire Mescal's family!

## Prayer Requests

- Please pray for follow up efforts and connection to Christ-centered, biblically-sound churches for each person who received Christ during the recent partner trip to Kenya.
- Please pray for Judy and David, recent high school graduates from the children's home, as they begin computer classes in preparation for college.
- Please pray for continued wisdom, protection, and joy for the staff at MCCH and MCA as they influence countless lives in the community for Christ.
- Please join us in praying for God's provision and favor in the Building Hope Project.

## The Building Hope Project

Since 2021, Mescal's Christian Academy (MCA) has provided Christ-centered, academically rich education to underserved children in the community of Luanda, Kenya. This year, MCA is home to 187 students grades pre-kindergarten through seven, along with a staff of 19 administrators, teachers, and maintenance workers committed to raising students who are spiritually, academically, socially, and emotionally equipped to serve Christ in their homes and communities.

After much prayer and planning, MCA's leadership feels God's guidance to expand MCA to provide a senior high school for students. Our current building can accommodate students through the eighth grade. Without an addition to the school, our students will be forced to return to a public school system that does not meet the standard of Christian values or academics that students have been blessed to receive at MCA.

Please take a moment and scan the QR code to watch a brief video message from our Founder and Kenyan Executive Director, Ruth Owuor, as she shares the vision and purpose behind the Building Hope Project and Mescal's Christian Academy Senior High School.

Will you prayerfully consider joining us in this effort to ensure children at MCA continue receiving an education that equips them to be strong Christian citizens of Kenya and the world?

Enhancing Trust
