

Hands of Hope Blessings

Thank you to the many people who bought items crafted by the ladies and gentleman of our Hands of Hope community development program this Christmas season. Because of this faithful support, MCCH was able to send over \$2,000.00 to these community members who have been deeply impacted by the government restrictions surrounding Covid-19.

Thank You for Your Support!

With so many challenges and changes in our world this year, at MCCH we have seen God's goodness displayed in remarkable ways. We want to express our gratitude to the many partners who joined us this year to support "Stories of Hope", our virtual event that shared stories of how God is working in and through MCCH in Kenya and in the United States in 2020.

Thanks to God's provision and your generosity, this event raised just over **\$100,000.00** to fund the needs of the ministry in the upcoming year! In a trying year that has proven devastating to many members of the Luanda community in Western Kenya, your support has allowed Covid-19 relief efforts and quality care for Mescal's Kids to continue throughout the pandemic. We praise the Lord for how He is providing for the vulnerable around the world, and thank you for being part of His provision!

Christmas at MCCH

December 23rd, 2020, will be a day to remember in the Luanda community! Each year, MCCH hosts a community-wide Christmas party, inviting family members of Mescal's Kids, Guardianship families, and various community members to the MCCH compound for a time of worship and celebrating Christ's birth. By God's grace, over 180 people attended the Christmas party in 2020, the biggest group of attendees the MCCH staff has ever hosted for the event. MCCH Founder and Executive Director, Ruth Owuor, shared that many people received Christ when the gospel was shared. At a time when people are longing for hope and connection with others, we are so grateful for the opportunity MCCH had to proclaim the good news of Christ and be a blessing to our neighbors.
