MESCAL'S CHILDREN'S CENTER OF HOPE

STORIES *of* HOPE

2026

FLOURISHING FAITH

Join us for Stories of Hope 2026, fundraising events celebrating God's faithfulness through the ministry of Mescal's Children's Center of Hope! This year's theme, Flourishing Faith, celebrates how God is growing deep, enduring faith in children, families, and the Luanda community in Western Kenya. We are excited to welcome our guest speaker, Dr. Steven Owuor, MCCH Assistant Director and MCA Board Chairman, as he travels from Kenya to share stories of how the Gospel is changing lives, disciples are being made, and young people are being equipped to flourish in Christ for generations to come.

In Montgomery, enjoy a delicious dinner and explore an exciting silent auction featuring unique items and experiences. In Clay County, enjoy a decadent dessert bar and a marketplace featuring African crafts for purchase. In both locations, be encouraged by inspiring stories of lives transformed through the hope of Christ!

Whether you've partnered with Mescal's for years or are joining us for the first time, Stories of Hope is an opportunity to celebrate God's work, catch a vision for the future, and discover how you can be part of the story He is continuing to write. Be our guest in October as we celebrate what God is doing at MCCH! Register for Stories of Hope at mescalskids.org. Tickets are \$15 per person or \$120 per table. Contact us at info@mescalskids.org or [334-595-8047](tel:334-595-8047) for help with registration.

Clay County

Sunday, October 18

Montgomery

Thursday, October 22

Frazer Church | The Gathering Place

6000 Atlanta Highway | Montgomery, AL 36117

5:30pm Silent Auction

6:00pm Dinner & Program

Enhancing Trust

Join Us in Prayer for Mescal's Christian Academy Staff

Mescal's Christian Academy is blessed with a staff of believers whose hearts are set on equipping the next generation to follow Christ and become Christian leaders in their families and communities.

Unlike in the United States, where the school year is just beginning, the academic year in Kenya is wrapping up, with most students completing school at the end of October. Please keep the MCA staff in your prayers as they pour into students' lives each day. Pray that they would be filled with wisdom, strength, patience, compassion, and peace. May they be encouraged, protected, and guided in every decision they make. Your prayers make a difference in their lives and the lives of the students they teach!

Thank You, Ministry Partners!

Mescal's wouldn't exist without the partnership of churches, groups, businesses, and individuals, all united in one purpose: caring for vulnerable children and families in Kenya to make Christ known to the nations. You may have seen us recently at your church (or you may see us soon!) as we share with our partners how God has been working at Mescal's so far in 2026, and as we say "thank you" for joining us in the work of the ministry. Your praying, giving, and going make an eternal difference in the lives of image-bearers of Christ, and we're so grateful for you!

If you would like someone from Mescal's to share about the ministry with your church or group, contact Emily Naler at emily@mescalskids.org.

Spiritual Encouragement & Prayer Requests

The righteous flourish like a palm tree, and grow like a cedar in Lebanon. They are planted in the house of the Lord; they flourish in the courts of our God. They still bear fruit in old age; they are ever full of sap and green, to declare that the Lord is upright; He is my rock, and there is no unrighteousness in Him.

Psalms 92:12-15

- Please join us in prayer for Stories of Hope, that we would share the story of God's work at Mescal's in a way that exalts Christ, and that God would provide for the needs of the ministry through His people.
- Please be in prayer for Mescal's Kids and MCA students as they finish their academic year. Pray they would finish well and remember that their identity and worth is rooted in Christ alone.
- Please pray for continued favor and blessing over the MCA high school building project.
